HOME LEARNING EXPECTATIONS

Dear Parents/Carers,

21.04.20

Firstly, I sincerely hope that you and your family are safe and well. The Government informed us last week that the lockdown was going to continue for a further 3 weeks and they are unsure at the moment when schools will be able to re-open safely. With that in mind I wanted to contact you to let you know that all the staff at King's Meadow Academy are all thinking about your families and we all miss you.

We have put together some activities that would be useful to keep your children educated whilst at home.

We have listed some **minimum** HOME LEARNING expectations for all children; however, it is for parents to decide how much additional work you would like your child to take part in at home.
