It is important that your grant is used effectively and based on school need. The [Education Inspection Framework](#) makes clear there will be a focus on **‘whether leaders and those responsible for governors all understand their respective roles and perform these in a way that enhances the effectiveness of the school’**.

Under the [Quality of Education](#) Ofsted inspectors consider:

Intent - Curriculum design, coverage and appropriateness

Implementation - Curriculum delivery, Teaching (pedagogy) and Assessment

Impact - Attainment and progress

To assist schools with common transferable language this template has been developed to utilise the same three headings which should make your plans easily transferable between working documents.

Schools must use the funding to make **additional and sustainable** improvements to the quality of Physical Education, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and sport premium to:

- Develop or add to the PESSPA activities that your school already offer
- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
- The Primary PE and sport premium should not be used to fund capital spend projects; the school’s budget should fund these.

Please visit [gov.uk](#) for the revised DfE guidance including the 5 key indicators across which schools should demonstrate an improvement. This document will help you to review your provision and to report your spend. DfE encourages schools to use this template as an effective way of meeting the reporting requirements of the Primary PE and Sport Premium.

We recommend you start by reflecting on the impact of current provision and reviewing the previous spend.

Schools are required to [publish details](#) of how they spend this funding, including any under-spend from 2021/2022, as well as on the impact it has on pupils’ PE and sport participation and attainment. The funding **should** be spent by 31st July but the DfE has stated that there will be **no clawback** of any unspent money so this can be carried forward into 2023/24.

We recommend regularly updating the table and publishing it on your website throughout the year. This evidences your ongoing self-evaluation of how you are using the funding to secure maximum, sustainable impact. Final copy must be posted on your website by the end of the academic year and no later than the 31st July 2023. To see an example of how to complete the table please click [HERE](#).

Swimming Data

Please report on your Swimming Data below.

<p>Meeting national curriculum requirements for swimming and water safety.</p> <p>N.B. Complete this section to your best ability. For example you might have practised safe self-rescue techniques on dry land which you can then transfer to the pool when school swimming restarts.</p> <p>Due to exceptional circumstances priority should be given to ensuring that pupils can perform safe self rescue even if they do not fully meet the first two requirements of the NC programme of study</p>	
<p>What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?</p> <p>N.B. Even though your pupils may swim in another year please report on their attainment on leaving primary school at the end of the summer term 2023.</p> <p>Please see note above</p>	24%
<p>What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?</p> <p>Please see note above</p>	18%
<p>What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?</p>	%
<p>Schools can choose to use the Primary PE and sport premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?</p>	Yes

Action Plan and Budget Tracking

Capture your intended annual spend against the 5 key indicators. Clarify the success criteria and evidence of impact that you intend to measure to evaluate for pupils today and for the future.

Academic Year: 2022/23		Total fund allocated: £18180		Date Updated:	
Key indicator 1: The engagement of <u>all</u> pupils in regular physical activity – Chief Medical Officers guidelines recommend that primary school pupils undertake at least 30 minutes of physical activity a day in school					Percentage of total allocation: 45%
Intent	Implementation		Impact		
Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:	Make sure your actions to achieve are linked to your intentions:		Funding allocated:	Evidence of impact: what do pupils now know and what can they now do? What has changed?:	Sustainability and suggested next steps:
Those children who haven't successfully swam 25m to be provided with additional sessions in order to hit this important milestone: % of pupils achieving ARE in each area PE to increase from last year's results; % of pupils being able to swim competently to increase year on year; % of pupils who can perform safe water rescue to increase	Selected children to access swimming lessons as an addition to those allocated in an attempt to hit national requirements Learning Mentor role to encompass that of a 'play coordinator' during lunchtimes. Role includes co-ordinating the extracurricular programme at lunchtimes	£93 x 10 children (£930) 10% of salary	An increased % of children to be able to swim 25m unaided by the end of Year 5.		
Playtime and lunchtime areas to be attractive with a wide range of physical activities on offer Sports coaches offer attractive activities at lunchtime and after school	Employ sports coaches (Wakefield Trinity) to assist with the running of extracurricular lunchtime clubs on selected days Employ sports coach to deliver high quality PE session in KS1	£4384 (for full day coaching, breakfast/ after school club, lunch provision and curriculum CPD for 6 hour block	Children to understand the link between good team work, healthy living and discipline which in turns improves academic performance.		Having a representative of a well-known local sports club really boosts the children morale. Our partnership with Wakefield Trinity will allow the students to have extra PE in their school day, from a specialized coach and provided teachers with a CPD opportunity where they can observe the PE lessons. Sustainability here is training staff up to deliver high quality PE lessons in the future.

Key indicator 2: The profile of PESSPA being raised across the school as a tool for whole school improvement				Percentage of total allocation:
				25%
Intent	Implementation		Impact	
Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:	Make sure your actions to achieve are linked to your intentions:	Funding allocated:	Evidence of impact: what do pupils now know and what can they now do? What has changed?:	Sustainability and suggested next steps:
Refine curriculum practice in PE (and complete resource audit) to ensure that curriculum progression is easily defined and well understood by children and staff	Curriculum factfiles to be fit for purpose and clearly demonstrate progression across year groups in games, athletics, gymnastics and dance	All resources = £5000		Children's basic gross motor skills improve and curriculum progression is clearly mapped out for subsequent years
Provide a full package of extra-curricular opportunities and enrichment activities around sport and sporting excellence. (25% of all places to be allocated to 'specific' children)	Resources to be purchased to ensure that these, and extra-curricular activities can be delivered to promote sporting excellence			
Children to visit sporting venues under the idea of 'Aspiration'	Enrichment calendar to be planned in with 'Aspirations' in mind			
SLT to be given time to monitor provision and quality of teaching in PE	SLT - release time to monitor standards of teaching and learning in PE			
ScotFit experience days brought into school to work on balance, coordination and gross motor skills.			Learn and understand the correct ways to use and ride a scooter. Enhance gross motor skills and healthy living lifestyle/
